Bill payment customised payee form

NOW YOU CAN PAY YOUR BILLS ANYTIME, ANYWHERE!

If you take advantage of Citibank's Automated Bill Payment service, you can arrange to pay your bills anytime of the day or night - even if you're overseas. Don't forget you can pay your bills via Citibank Direct Access and CitiPhone Banking. But its real strength is the level of control it gives you. You choose the amount, the payee and the date on which the payment should be made. You can even set up a bill payment up to 4 months in advance both on your main account and on most accounts linked to your Citicard.

Please complete this form using BLOCK CAPITALS.
