

Automatic Exchange of Information Form for Individuals

Please read these instructions carefully before completing the form.

Citi offices located in countries that have adopted the Common Reporting Standard (CRS) are required to collect and report certain information about an account holder's tax residence status. Please note that Citi may be legally required to report certain information provided in this form and other financial information with respect to your financial accounts to the tax authorities of the country where your account is maintained. In turn, the local tax authorities will exchange the reported information with the tax authorities in the country or countries in which you are a tax resident. Please complete this form only if the account holder is an individual (including a sole proprietor or a decedent).

Definitions of an account holder and other terms are included in the Appendix.

Items that are marked with an asterisk (*) are required to be completed.

For joint or multiple account holders, use a separate form for each individual.

Please note that this self-certification form is for CRS purposes only. Its completion is not a substitute for the completion of any IRS Form W-9, Form W-8 or FATCA Self-certification that may otherwise be required for U.S. tax purposes.

If you are completing this form on behalf of someone else, please indicate the capacity (custodian, nominee, executor, under power of attorney, etc.) in which you are signing in Part 3. A parent or legal guardian should complete the form on behalf of an account holder who is a minor.

Do not use this form for an entity account holder. Trusts (but not sole proprietors or decedents) are considered entities for this purpose. Instead use the Automatic Exchange of Information Form for Entities.

This Form will remain valid unless there is a change in circumstances that makes this Form incorrect or incomplete. In that case, you must notify Citi within 30 days of any such change and provide us with an updated Automatic Exchange of Information Form.

As a financial institution, Citi does not provide tax advice to its clients. If you have any questions about whether you are a tax resident in any particular country, please contact your tax advisor or visit the OECD AEOI portal for country-by-country information on tax residence at www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance.

Appendix

Note: The following selected definitions are provided to assist you with the completion of this form. If you have any questions about these definitions or require further detail, please contact your tax adviser.

“Account Holder” – The person listed or identified as the holder of a Financial Account. A person holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder. In the case of an estate, the decedent should be identified as the Account Holder.

“Controlling Person” – A natural person who exercise control over an entity. This definition corresponds to the term “beneficial owner” of an entity, as described in Recommendation 10 (and the Interpretative Note) of the Financial Action Task Force Recommendations (as adopted in February 2012). Where an entity Account Holder is treated as a Passive Non-Financial Entity (“NFE”), a Financial Institution must determine whether such Controlling Persons are Reportable Jurisdiction Persons. If you are a Controlling Person of a Passive NFE, you should complete a CRS self-certification for Controlling Persons instead of this Form.

“Entity” – A legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

“Financial Account” – An account maintained by a Financial Institution and includes: Depository Accounts; Custodial Accounts; an equity or debt interest in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

“Participating Jurisdiction” – A jurisdiction (i) with which an agreement is in place pursuant to which it will provide the information set out in the Common Reporting Standard and required for the automatic exchange of financial account information, and (ii) which is identified in a published list.

“Reportable Jurisdiction” – A jurisdiction (i) with which an agreement is in place pursuant to which there is an obligation to provide financial account information set forth in the Common Reporting Standard, and (ii) which is identified in a published list.

“Reportable Jurisdiction Person” – An individual who is tax resident in a Reportable Jurisdiction under the laws of that jurisdiction.

“TIN” – The Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction.

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a “functional equivalent”). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number and resident registration number.
